

Multijurisdictional Adaptive Leadership Masterclass (Emergency Management)

Adapting and Responding to Complexity and Risk

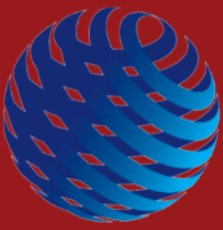

May to September 2025

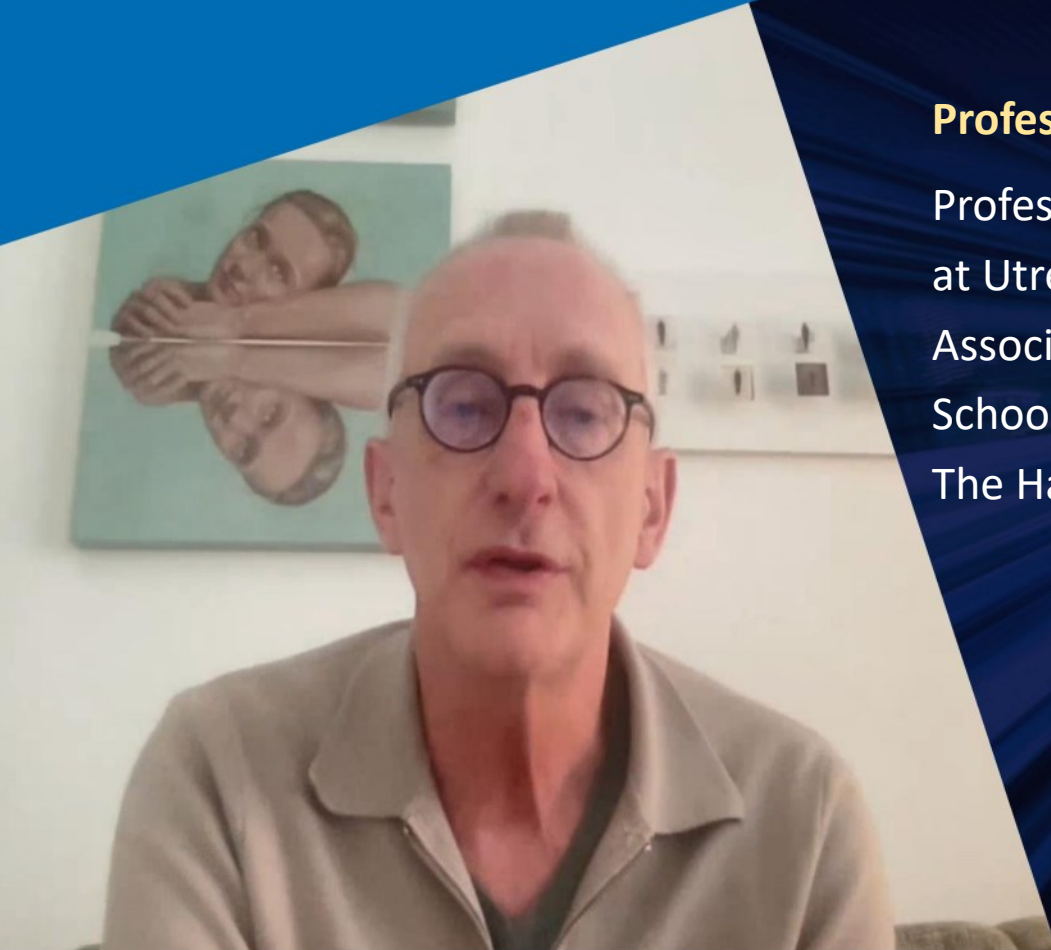

Executive Challenge Academy

Alliance for Leadership Learning

“ The Adaptive Leadership Masterclass is designed as an immersive change laboratory where cross-sector leaders work together on an adaptive challenge that will improve outcomes for their organisations, their clients and the community. ”

Professor Paul 't Hart

Professor of Public Administration at Utrecht University and Associate Dean of the Netherlands School of Public Administration in The Hague.

ACCELERATE YOUR LEADERSHIP

CREATE LASTING NETWORKS

This Multijurisdictional Adaptive Leadership Masterclass is a mix of in-person workshops, regular webinars and online content modules that will engage participants to a challenge designed by CEO/Deputy steering group.

As we adapt to organisational environments of constant change and uncertainty, our knowledge and capabilities also need to broaden. This program facilitates cross-sectoral and multi-jurisdictional adaptive leadership to broaden your executive leadership skills and deliver multi-dimensional outcomes for your organisation, sector and community.

The Masterclass program runs over four months. It culminates in adaptive challenge presentations (and other forms of engagement) by participants to a panel of senior executives to gain sponsorship for breakthrough programs of work.

WHY EXECUTIVE CHALLENGE ACADEMY?

What differentiates the Executive Challenge Academy from other executive education programs is real-world situational learning that prepares you to lead in today's global climate filled with volatility, uncertainty, complexity, and ambiguity. The program combines three essential elements for effective leadership as a senior executive, while delivering actionable insights that can be immediately applied upon your return to the office.

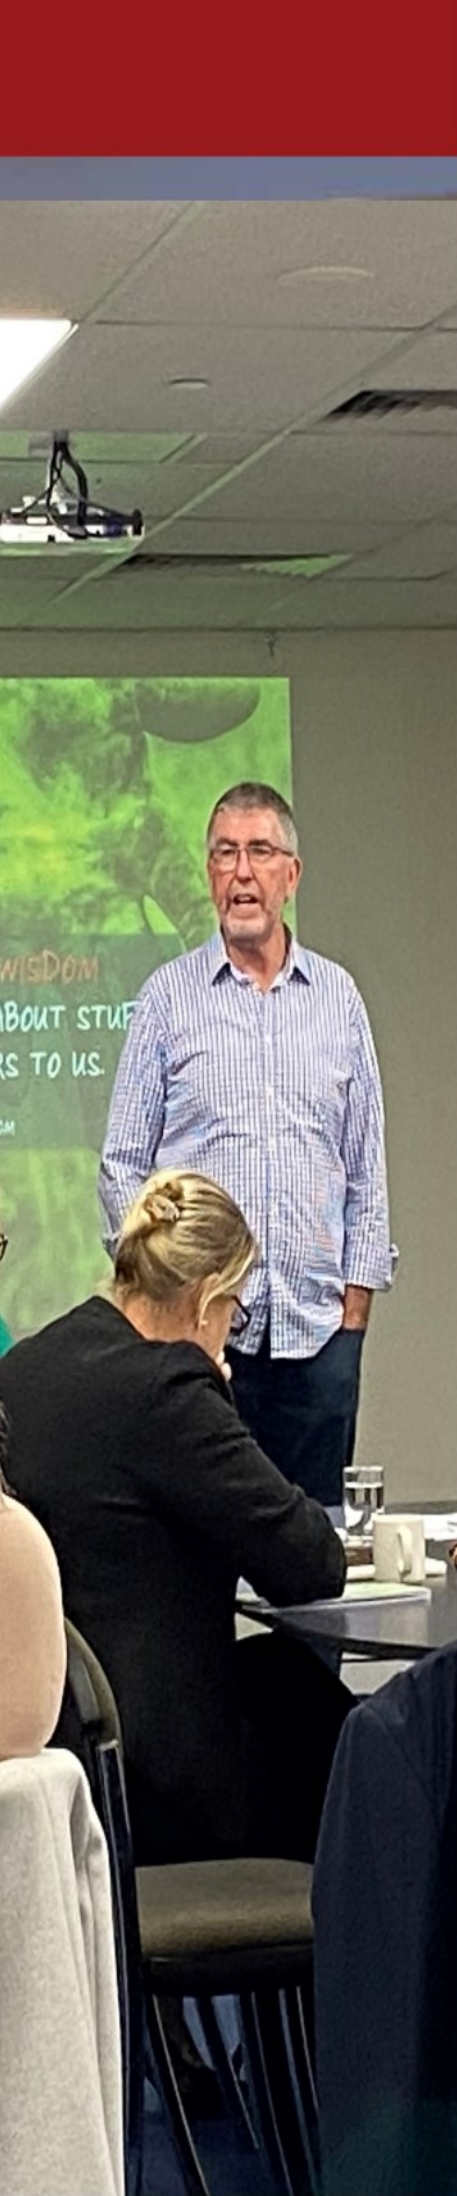

The Executive Challenge Academy has over 15 years of practice in collaborative international leadership development and transformation and is strategically positioned to work with you to create cutting edge practice in leadership. Our 'dynamic learning' philosophy of encouraging new ideas, new approaches and new connections creates an environment of rich development. The Executive Challenge Academy also has an active alumni of over 1700 people across government, business and NGO sectors.

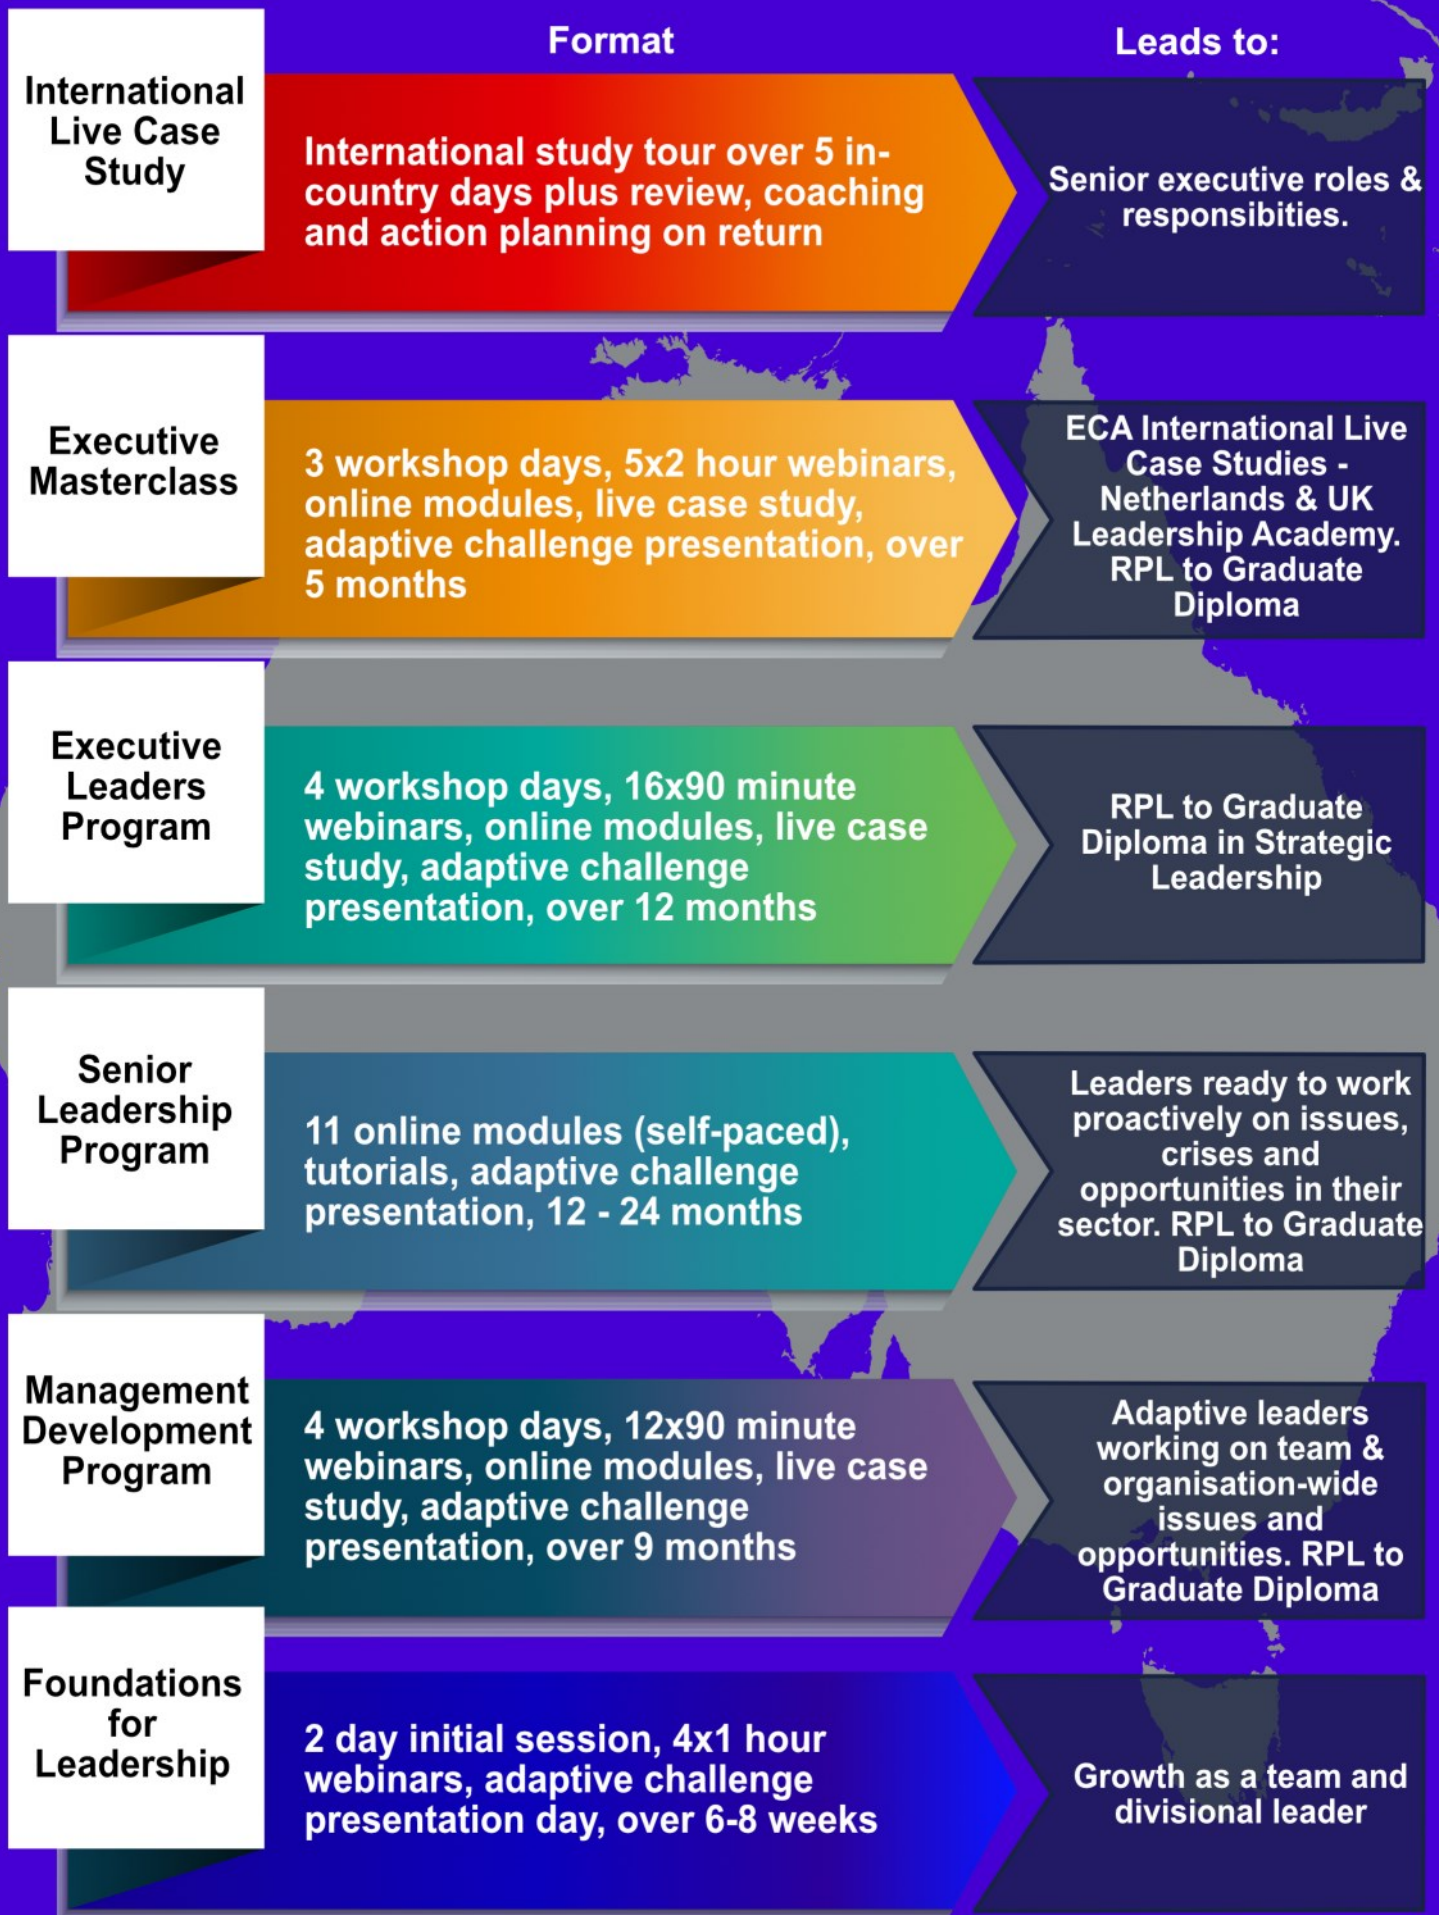

“*To be honest, I wouldn't have ever even thought of engaging with (other sectors) prior to the Executive Challenge,” “It just opened my eyes to the fact that you can look outside of your organisation for help or for guidance and support because most people from other industries are having the same problems or have had the same sort of risk.”*

Michael O'Neil

Chief Superintendent – Northern Region at Queensland Fire and Emergency Services

The Executive Challenge Academy is delivered by Alliance for Leadership Learning - a social enterprise organisation dedicated to reinvesting in place-based, cross sectoral leadership development.
