Foundations for Leadership

This intensive short program provides the foundation for your development as a leader of positive change in your team, your organisation or community. This program is best-placed for people in the first five years of leadership.

During this course, you will:

- learn and practise contemporary approaches to participative and adaptive leadership
- understand your individual style, team style and leadership style
- consider tools and skills for inclusive and participative change leadership
- experience interventions and techniques that can be used in a variety of settings
- work on an adaptive challenge
- have time in between sessions, for direct application as well as for action learning group processes where you will be guided to support your learning and development
- be part of creating learning communities of leaders who see the need for collaboration rather than competition as a means to an end
- have coaching support from ECA faculty.

Programs are often held in Brisbane, Toowoomba, Townsville and Cairns depending on demand.
